Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mental Health and Addiction Network, Inc. as of April 30, 2018 and 2017 and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

MENTAL HEALTH AND ADDICTION NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2018 AND 2017

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

Mental Health and Addiction Network, Inc. was incorporated under the laws of Maryland as a non-profit organization and is exempt from income taxes on its exempt activities under Section 501(c)(3) of the Internal Revenue Code.

The Organization's primary purpose is to assist other tax exempt organizations in participating in workplace fundraising drives such as the U.S. Government's Combined Federal Campaign. The Organization screens applications for such drives, assists with the transfer of funds from donors to the benefiting groups, educates the staff and volunteers of these groups so that they better understand workplace giving programs, and assists in the marketing of such groups to potential donors.

Income Taxes:

The Organization's Return of Organization Exempt from Income Tax (Form 990) for the years ended April 30, 2018, 2017 and 2016 are subject to examination, generally, for three years after they were filed.

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization does not have any income from unrelated business activities. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Subsequent Events:

In the normal course of preparing the Organization's financial statements, management reviews events that occur after the statement of financial position dated April 30, 2018 for potential recognition or disclosure in the financial statements. Management has evaluated subsequent events through November 20, 2018, which is the date the financial statements were available to be issued.

Method of Accounting:

The Organization's financial statements have been prepared on the accrual basis of accounting. Consequently, revenue is recognized when earned and expenses when incurred.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Pledges Receivable:

Pledges Receivable have been reviewed by management and considered fully collectible.

Financial Statement Presentation:

The net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of Mental Health and Addiction Network, Inc.’s management and board of directors.

Net Assets With Donor Restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Mental Health and Addiction Network, Inc. or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

New Accounting Pronouncement:

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Mental Health and Addiction Network, Inc. has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.
